The film was released on 19 January 2011, and earned the record of highest opening day collections of all time for an Emraan Hashmi movie. The movie is produced by Mukesh Bhatt along with the director Milap Zaveri. The story starts with Kabir (Emran Hashmi) narrating his past to Anuradha (Ishita Raj Sharma). Kabir says that he is still madly in love with his first love, Anuradha, but he got married to another girl named Palak because it was what Anuradha wanted. But they are still madly in love with each other, even 10 years after their marriage. In the past, when they were in college together, Kabir was already in love with Anuradha. Kabir would always tease Darma (Shreya Saran) a geeky girl in their college and would tell her to meet him in a secluded place during a late night. One night at midnight, when he was teasing Darma, he saw a man passing by on a bike who seemed to be watching them. Kabir got suspicious and asked Darma if she wanted to know who the guy is. She said that she is afraid of cats and dogs so she won't mind if it's just that guy or not. So Kabir said that he'll tell her who the guy is. Then, he went to see the guy and asked him to come with him. The guy was Arun Oberoi (Gajender Chauhan) who wanted to apologize to Darma for coming late because of his girlfriend cheating on him. So Kabir apologized on his behalf. But he told Arun that he would only apologize if Arun admits that Darma is beautiful and good in studies among all the girls in their college. If not, then he won't apologize even if Kabir apologizes for him. Kabir was surprised by Arun's oddness and said that if Darma is beautiful, then the guy is not his boyfriend. But Arun said he is in love with Darma and pleaded Kabir for his help. While in college, they talked about love and Kabir told him that he didn't believe in love at first sight but when he met Anuradha for the first time, it changed his life forever. Also after knowing all these facts he asked Arun to apologize to Darma. So Arun said that he will apologize if she says that she was right in asking him to apologize even though he couldn't since it was late at night.
